KPIED at National Workshop on Regulatory Compliance for Accelerating Innovations in NIPER, Hyderabad.

Role of Regulatory bodies in accelerating innovations across the Pharma and related industry:

May 29, 2019: KPIED was a part of this workshop organized by DBT, CDSCO, BIRAC, CDSA & NIPER Hyderabad

Amidst the traditional pharmaceuticals routes, the Indian economy is working relentlessly to integrate newer therapeutic venues into its mainstream. Primary examples of these being Bio-pharmaceuticals, phyto-pharmaceuticals, medical devices and so on.

An initiative under NITI AYOOG, this workshop brought together under the same roof, over hundred professionals working in these areas. The collective experience of the participants ranged from academia to independent research to corporate. The workshop presented an opportunity of direct interaction with Examiners at CDSCO.

KPIED , with its rich industry experience, shared insights and brought value to the table.

“Regulatory compliance in Bio-Pharmaceuticals, Phyto-pharmaceuticals, Medical Devices”.
