**KPIED at IPR Induction in Marathwada Mitra Mandal  
College of Engineering (MMCoE), Pune.**

**Introducing concepts of IPR and types to  
Engineering students and faculty:**

Sep 23, 2019: KPIED was invited by Marathwada Mitra Mandal College of Engineering to induct their students and staff to IPR. A primer session was conducted by KPIED and the session soon turned into a brain storming one.

Sessions included some visual and interactive basics of Patents, Trademarks, Copyrights, and other forms of Intellectual Property. Students were also briefly apprised of global IP laws to provide a comparative understanding and perspective.

Students and faculty of MMCoE shared with KPIED their research and upcoming innovations. Projects ranging from mechanical engineering, to information technology and artificial intelligence were discussed. An enhanced understanding of how to protect their ideas and inventions will go a long way in helping boost innovation at the institution.

KPIED with its strong industry backed experience and research helped students evaluate their innovations.

“IPR Primer for  
College of  
Engineering”.
